Biz Town: The 6th graders are taking on the world this Monday as they head to Biz Town to do simulated job/leadership experiences. The students have been buzzing about this trip all week and are looking forward to having a great experience. I am hoping to be able to head over to Biz Town for a little while and see our students in action.

Thank you, 6th grade team, for organizing the trip.

Budget/Schedule 2017-18: We have submitted our budget. I will be attending a Budget Tie-Out (BTO) meeting on Thursday to determine if our decisions are acceptable.

I want to thank the Site Council members and all staff for their input into the decision-making process.

Washington, D.C. Trip (from Ms. AVH): This week, twenty-five Olson students will travel to Washington, D.C. as part of the Olson Social Justice Club (“Panthers for Progress”). We look forward to hear about their experiences when they get back. Several of our staff has the opportunity to go on the trip as well.

After-School Programming: We will have only two days of after-school programming this week. After-school classes will be in session on Monday and Tuesday, March 27th and 28th. *There will be no after-school classes on Wednesday and Thursday, March 29th and 30th.*

The first day of spring break for students is Friday, March 31st.
