Site Council, 4:30-5:30, Media Center

Friday, April 28: AM Strategy JAMs
6th Grade MCA Testing

Thursday, May 4 – Last day of After School Programs

MCA Testing: 6th graders will be taking their MCA tests this week. We appreciate your support as parents by ensuring your students get a good night's rest and eat a healthy breakfast each day this week. The school breakfast has great nutritional value and should provide ample fuel for the morning groups.

Our teachers and support staff have done a tremendous job of getting students in the mindset that they can, and will, do a great job. Please contact us if you have any questions about the testing process.

Yearbooks: Yearbooks may be ordered for \$7.00. Order forms are in the office. We will be passing out yearbooks the beginning of June.

Site Council: All parents are invited to our Site Council meeting this Thursday at 4:30 p.m. At this meeting, we will review the budget and staffing decisions we made. We will also spend time discussing our IB MYP plan.

I hope you can join us this Thursday!

Field Trips: Ms. Dunne's students had a field trip to the Humane Society. Students learned about the services the Humane Society provides and potential careers that might be available at the Humane Society.

Ms. Teeter and Mr. Walker's students and staff braved the blustery weather last Thursday to attend the Twins game where they practiced their social skills. The Twins were ahead when the students started their journey back to Olson. Unfortunately, the Twins could not hold the lead and eventually lost to the Cleveland Indians.
